263-2300-00: How To Write Fast Numerical Code
Assignment 6: Work on project
Check point: Thu April 26 17:00
http://www.inf.ethz.ch/personal/markusp/teaching/263-2300-ETH-spring12/course.html
Questions: fastcode@lists.inf.ethz.ch

- Besides exam preparation, this period is allocated for working on the project

- Instructions on the project where provided in homework 4.

- Early May we will have one-on-one meetings to discuss the projects.

- At the check point (due date above), please

  1. Update svn with the latest code.
  2. Update checklist-report.txt.

In the end it is up to you how you organize your project work but we recommend working regularly on it as time permits.
